### 2018 GNAO Biennial Conference: Call for Posters

GNAO is proud to announce a call for poster presentations as part of our 2018 Biennial Conference. Those who are interested are asked to consider bringing a table-top display showcasing something you'd like to share with other Provincial Conference attendees during the Thursday evening reception and/ or Friday's refreshment breaks.

Presentations can highlight an innovation, a research project, an educational offering, etc. We will have a limited number of small tri-fold display boards\* on tables. A summary of your presentation will appear in our programme, and you are welcome to bring handouts.

Those who are interested are asked to send an email to Esther Coker at [COKER@HHSC.CA](mailto:COKER@HHSC.CA) by **Monday, April 2, 2018** which includes the following information: title of presentation, authors, and a brief summary of your topic (approximately 100 words).

*(\*dimensions: width= 39in (98cm) total [i.e., 19.9 in (50.6 cm) centre panel and two 9.6 in (24.6 cm) side panels] x height= 27.3in/69.5cm) Suitable for displaying eight 8.5x11 pages portrait style, for example.*
