

FALL for NURSING

Mentorship - Interview workshop - Networking - Raffle

Come out for an afternoon of networking where you have the chance to meet nursing professionals from different areas of practice, such as acute care, education, public health and more! You will have the opportunity to connect with previous students who have written the NCLEX, win NCLEX study resources in our raffle, and participate in an interview-prep workshop! Certificate of participation will be given to those that attend. Whether you are a nursing student, new graduate, or experienced nurse – this event is for you!
