

RNAO-CTNIG

Complementary Therapies Nurses' Interest Group

All Nurses are Welcome at the CTNIG Annual General Meeting April 13, 2019

Keynote Speaker:

Piroska Bata RN

Presentation Topic:

**“13 Steps to Celebration.
The NLP 101 & Art of Well-Formed Goals”**

We are pleased to have one of our own CTNIG members share her knowledge on a modality that she practices: NLP. Piroska is from Toronto, ON, and she is the Education Officer on the CTNIG Board of Directors. She asks you to come and experience NLP. She plans to walk you through a method to develop your well-formed goals. She will do this by taking you through an exercise on how to create your unconscious map which you will be taking home with you! We know you will find this a very valuable talk!
