

We are recruiting licensed practical nurses/registered practical nurses, registered nurses, and nurse specialists (i.e., nurse practitioner, clinical nurse specialist, nursing educator, advanced practice nurse) to participate in a 15-20 minutes survey on nurses' understanding of young caregivers in Canada and how prepared nurses like you feel in supporting young caregivers.

For more information you can go to the link at the bottom of this poster or contact kristine.newman@ryerson.ca for further questions.

This study has been approved by Ryerson University's Research Ethics Board (REB #2018-456)

NURSES NEEDED FOR SHORT SURVEY STUDY!
