**The Role of the Nurse in Addiction Management in the Face of the Opioid Crisis**

Highlighting the various roles nurses can play in facilitating routine substance use screening, client education about potential impacts of chronic substance use and risk reduction strategies. Focus will be placed on how to foster judgement-free, trauma-informed model of care.

**Hoodo Ibrahim, PHC-NP, MSN, CPMHN (C)**

**Dr. Kelly Kokus, DNP, NP-PHC, FNP-BC, MScN, BScN (Hons)**

**SOCH Mental Health: Empowering the South Asian Community from the Ground Up**

SOCH is a grass roots initiative that has empowered the South Asian community through local mental health workshops while creating a global presence through online initiatives and South Asian media platforms that broadcast across Canada, the US, and the UK. This storyboard presentation will share insights from the project and how to bring about community change through a cultural lens.

***Maneet Chahal, RN, BScN, MSc***

***Jasmeet Chagger RN, BScN, MSc***
