Speaking out for nursing. Speaking out for health.

Nursing Research Interest Group

Nursing Research Interest Group Educational Webinar

SPECIAL GUEST LECTURE

Wednesday, December 18, 2019
12-1pm EST

Presentation by
Dr. Connie Schumacher RN MSN PhD
DIVERT CARE Clinical Lead
McMaster University Department of Health Research
Methods, Evidence and Impact

Title of Presentation:
Knowledge Translation and Research Informed
Practice Change: The DIVERT CARE Trial

We are very pleased to present this special guest lecture by Dr. Connie Schumacher. Dr. Schumacher is a nurse scientist and clinical lead for the DIVERT CARE trial. She has practiced nursing in a variety of settings including Cardiac Care, Intensive Care, Emergency, and the Community. Her research interests include designing and implementing nursing models of care to improve chronic disease management in the community.
