

PedNIG Symposium 2021

Virtual Series: September 20, 2021 – October 11, 2021
Live Virtual Keynote: October 18, 2021

The PedNIG symposium is an annual event that aims to update knowledge and current trends in pediatric medicine through knowledge and information sharing. The symposium is geared towards students, nurses and health professionals who work in paediatrics, or are interested in learning about paediatric care. We know that incorporating new knowledge, best practices, innovation, and research are essential for advancements in the care of paediatric patients. PedNIG aims to create a rich dialogue about current practices, and the future of paediatric nursing. We invite you to share and strengthen your knowledge to cultivate practice excellence across the continuum of pediatric care.

HOW TO APPLY

Please complete the attached **Abstract Submission Application**, typed, and send by email to pednig.symposium@gmail.com.

OTHER INFORMATION

All presenters are responsible for all expenses incurred and must register for the conference. Concurrent paper submissions will be allocated a 30 minute timeslot within the virtual web series. Poster submissions will be allocated a 10 minute time slot within the virtual web series. Presentations will be pre-recorded by the presenter, or with the PedNIG team via Zoom. Presentations will be released on a weekly basis per the symposium schedule and will remain available for members to view for the entirety of the event. Questions can be answered by the presenters directly on the virtual platform.

CONTENT

Your abstract should be informative stating the problem, issue or project in the first paragraph. Briefly describe the manner in which the study, issue or project was addressed and describe the findings, conclusions, or solutions. Evaluate the relevance of this study, innovation or strategy to other pediatric settings. Authors are expected to clearly outline key learning objectives for their presentation.

SELECTION PROCESS

All abstracts received by the deadline date will be subjected to a blinded peer review. Selection criteria include relevance to scholarship, creativity and application to pediatric nursing.

A greater emphasis is being placed on completed work, lessons to be learned, and innovative contribution to the pediatric health care system. Selection will be completed and acknowledged by email by **June 10, 2021**.

SUBMISSION DEADLINE: May 20, 2021
