WEBINAR - May 20

Understanding the distress of children under 12 at risk of suicide to insure their security

Dr. Nathalie Maltais, RN

Suicide prevention is an important part of nursing work, but little is known on children under 12 at risk of suicide.

Inspired by the results of her thesis, professor Maltais will present how to understand distress to ensure security of children under 12 at risk of suicide.

To register for the webinar, [follow the link](#).
