# CHEO

**Registered Nurse, Step Up Step Down Program- Part-Time (0.5) X2 /  
Infirmière autorisée ou infirmier autorisé - Programme Step Up Step Down  
- à temps partiel (0,5) X2**

CHEO, The Royal, Youth Services Bureau and Le CAP are partnering to develop a community based Step Up Step Down Program (up to 30 days) to address the needs of youth and their families who are experiencing complex and persistent mental health and psychosocial issues. The Step Up Step Down Program will offer interdisciplinary live-in care in a community setting with the goal of averting hospital admissions, facilitating shorter hospital inpatient stays or preventing placement breakdown. The goal of The Unit is to address the existing gap in recovery focused live-in treatment services for youth 12-17 years. The Registered Nurse will be part of the interdisciplinary and interagency team at the Unit.

---

CHEO, Le Royal, le Bureau des services à la jeunesse et Le CAP s'associent pour développer un programme communautaire intitulé Step Up Step Down (jusqu'à 30 jours) qui répond aux besoins des jeunes et de leurs familles qui connaissent des problèmes psychosociaux complexes et persistants ainsi que des troubles de santé mentale. Le programme Step Up Step Down offrira des soins interdisciplinaires à domicile dans un cadre communautaire en vue d'éviter les admissions à l'hôpital, de faciliter des séjours hospitaliers plus courts ou d'empêcher la rupture du placement.

L'objectif du programme est de combler les lacunes existantes dans les services de traitement à domicile axés sur le rétablissement pour les jeunes de 12 à 17 ans. L'infirmière autorisée ou l'infirmier autorisé fera partie de l'équipe interdisciplinaire et interinstitutionnelle du programme.

### **Resident Care Manager - Full Time**

Based in Camrose, the Resident Care Manager will manage the Memory Lane DSL 4D and the Rosehaven Provincial Programs. Reporting to the Director, Health Care Services, the Resident Care Manager is accountable for the effective management of resident care including the management of human, accommodation/equipment and financial resources. The essential components of this position are administration, clinical practice supervision and staff development. The Manager is expected to provide leadership in providing quality resident care and utilization of the resources of the interdisciplinary team. Essential to this leadership role is the use of effective leadership skills in interactions with the residents, families, staff and other health care team members. The Resident Care Manager is responsible for leadership of the Assistant Head Nurse and an overall group of 93 FTEs healthcare professionals including a group of RNs, RPNs, LPNs, and HCAs.
