

PedNIG Symposium 2021

September 20 to October 11, 2021: Webinar Series Released Weekly
October 18, 2021: Live Closing Keynote Featuring Dr. Javeed Sukhera

The PedNIG symposium is an annual event that aims to update knowledge and current trends in pediatric care through information sharing. The symposium is geared towards students, nurses and health professionals who work in paediatric care, or are interested in learning about paediatric care. We know that incorporating new knowledge, best practices, innovation, and research are essential for advancements in the care of paediatric patients. PedNIG aims to create a rich dialogue about current practices, and the future of paediatric nursing. .

This year the PedNIG Symposium is brought to you by:
