CFMHN   <u>View this email in your browser</u>

An e-learning is being created, supported by the Canadian Federation of Mental Health Nurses, on the topic of assessment in schizophrenia.
Please take a look at and complete the nursing learning needs assessment which will help us ensure the e-learning is relevant.

The link to the learning needs assessment is available below until **September 3, 2021.**

Thank-you very much for your contribution to relevant, timely education for schizophrenia!
