# Challenging the Myth of “Attention Seeking” Women with Suicidality: A Grounded Theory Study about Applying Counter-pressure to manage System Entrapment

**February 17, 2022 7:00 - 8:00 pm ET**

**Petrea Taylor RN BN MN PhD**

Assistant Professor, University of New Brunswick

Delving into my published article (Issues in Mental Health Nursing, in press, 2022), we will challenge myths and biases about women’s suicidality in the context of trauma and violence by exploring the patterns of their help-seeking in a sample of participants with histories of intimate partner violence from New Brunswick.
