

Dear CNS-ON Members,

As 2021 draws to a close we at CNS-ON wish you all a Joyous holiday season. Past few years have been turbulent. We hope you find some time to reconnect with loved ones, family and friends. Many of members will be working over this week, to You we send out deepest gratitude.

As we look ahead into the New Year 2022, The Executive team send greetings to all our CNS colleagues. Take some time aside for self care, rejuvenate and find support as we enter into another season of challenges.

Do connect with us via our Colleague to Colleague Zoom meetings, Newsletters, Social Media Updates, our new improved web page and via email.
