## PedNIG Symposium 2022

**October 20, 2022 - 6-8pm Virtual Poster Night**

**October 21, 2022 - 9am-1pm Virtual Live Concurrent Sessions & Keynote**

The PedNIG symposium is an annual event that aims to update knowledge and current trends in pediatric care through information sharing. The symposium is geared towards students, nurses and health professionals who work in pediatric care, or are interested in learning about pediatric care. Incorporating knowledge, best practices, innovation, and research are essential for advancements in the care of pediatric patients. PedNIG aims to create a rich dialogue about current practices, and the future of pediatric nursing. We invite you to share and strengthen your knowledge to cultivate practice excellence across the continuum of pediatric care. The symposium will continue to be held virtually this year using the Whova event platform.

For additional information or support with submitting an abstract, please contact our team at [pednig.symposium@gmail.com](mailto:pednig.symposium@gmail.com)

**SUBMISSION DEADLINE: June 30, 2022**

### CONTENT

Your abstract should be informative and succinct as it is limited to a 300-word count. The abstract should contain the following sections: Background/Aim, Methods, Results and Conclusions. Relevance of the study, innovation or strategy to other pediatric settings should be clearly stated. Authors are also expected to outline up to three key learning objectives.

### SELECTION PROCESS

All abstracts received by the deadline date will be subjected to a blinded peer review. Selection criteria include relevance to scholarship, creativity, application to pediatric nursing and innovation in pediatric health care. A greater emphasis is being placed on completed work. Selection will be completed and acknowledged by email by **July 15, 2022**.

### PRESENTATION INFORMATION

All presenters are responsible for all expenses incurred and must register for and attend the symposium. Poster presentations will be a 5-10 minute pre-recording to be released in advance of the virtual live Q&A hosted during the poster night on October 20 between 6 and 8pm. Paper submissions will be allocated a 20-30 minute timeslot within the virtual live concurrent sessions hosted on October 21 between 9am and 1pm.
