Dear members,

This is a reminder that the RNAO AGM- Annual general meeting is coming up in June.

[AGM 2024 | RNAO.ca](#)

We are sending a request for any members that would like to register as a consultation Rep at the AGM.

The Kingston Chapter can send 5 members as consultation Reps.

This is your opportunity to represent our region by voting on resolutions that help raise the profile and facilitate discussion of important nursing and health issues in Ontario. It is an exciting and great learning experience to attend and meet with other nurses from across the province.

If you would like to participate, I have included below the registration information. The RNAO will cover the hotel for 1 night as well as travel.(Form to be filled out after the event)

Please let us know if you are going to register so we know who is going.
