Primary Care  
Nurses of Ontario

## Conference Structure

### Day One

Upon registration you will have breakfast and a networking opportunity with primary care nurses from all over the province. For the morning, there will be a pre-conference workshop of pap training with Dr. Nathan Roth. Following lunch, author and RN Tilda Shalof will join us for the keynote. In the afternoon, you will have the opportunity to choose between 1 of 3 breakout opportunities. Closing day one will bring everyone back together for, pharmacist Anna Tadio to join us on the topic of *Pain and Immunization*.

### Day Two

Will open with a workshop on Healthy Boundaries, presented by Jennifer Maddan & Cheryl Robinson. Together we will have NP Kim Fitzpatrick speak for an HPV update, sponsored by Merck. After lunch, there will be 2 sessions of breakout with a variety of topics to choose from such as contraception, mental health, diabetes and HIV.

An exhibit hall and networking breaks will provide opportunity for conference participants to build, strengthen, and renew connections and resources across Ontario on both days.

*Breakfast and lunch will be included both days.*

*A link to book your own accommodations will be sent to you after you register via email.*

## Program Outline

See details on the registration page. More details to follow as speakers are confirmed.
