

Dear Nursing Students,

The team at Humber River Health, RNAO Region 6 - Toronto West, and the Nursing Students of Ontario sincerely welcome you to the **Model WHO Student Conference on Saturday, February 7th, 2026, at Humber River Health in Toronto, Ontario.**

The conference will take place at **1235 Wilson Avenue, Toronto, ON, M3M 0B2.** The **auditorium is located on the 3rd floor, by the West Outpatient elevator.**

For those attending **virtually**, please be online by **9am** to join the event proceedings. We will have an NSO Executive facilitating for virtual attendees. During the in-person tour, NSO will host a session on RNAO's PLP and LAP programs. We do, however, **strongly encourage in-person attendance for an optimal experience.**

During the conference, you will have the opportunity to engage in discourse on global health issues and policies, learn about the decision-making process, practice your leadership skills, and participate in debates and public speaking.

Upon arrival, please make sure to pick up a card from the registration table to represent a country of your choice. Additionally, we will also have an NSO table available during breaktime, where you can learn more about NSO, our work, and engage with our executive members.

Here are some *important* reminders for those attending in-person:

Arrival: We encourage you to arrive before 8:30 AM to make the most of the day's activities as we will have a light breakfast available and have the chance to begin networking with the other attendees.

Post-event: Feel free to stay until 6:00 PM after the event ends to network further!

Parking: Bring your parking pass to the event if you are driving.

Food: Will be provided, courtesy of HRH.

If you have any questions or require further information, please do not hesitate to contact us. We are looking forward to your participation and a productive conference!

Kind regards,

HRH, Region 6 - Toronto West, & the NSO Teams
